**Team Members**

- We will put our names and short information in here.
- Maybe a quote from each of us about the project

Hello, Tim!

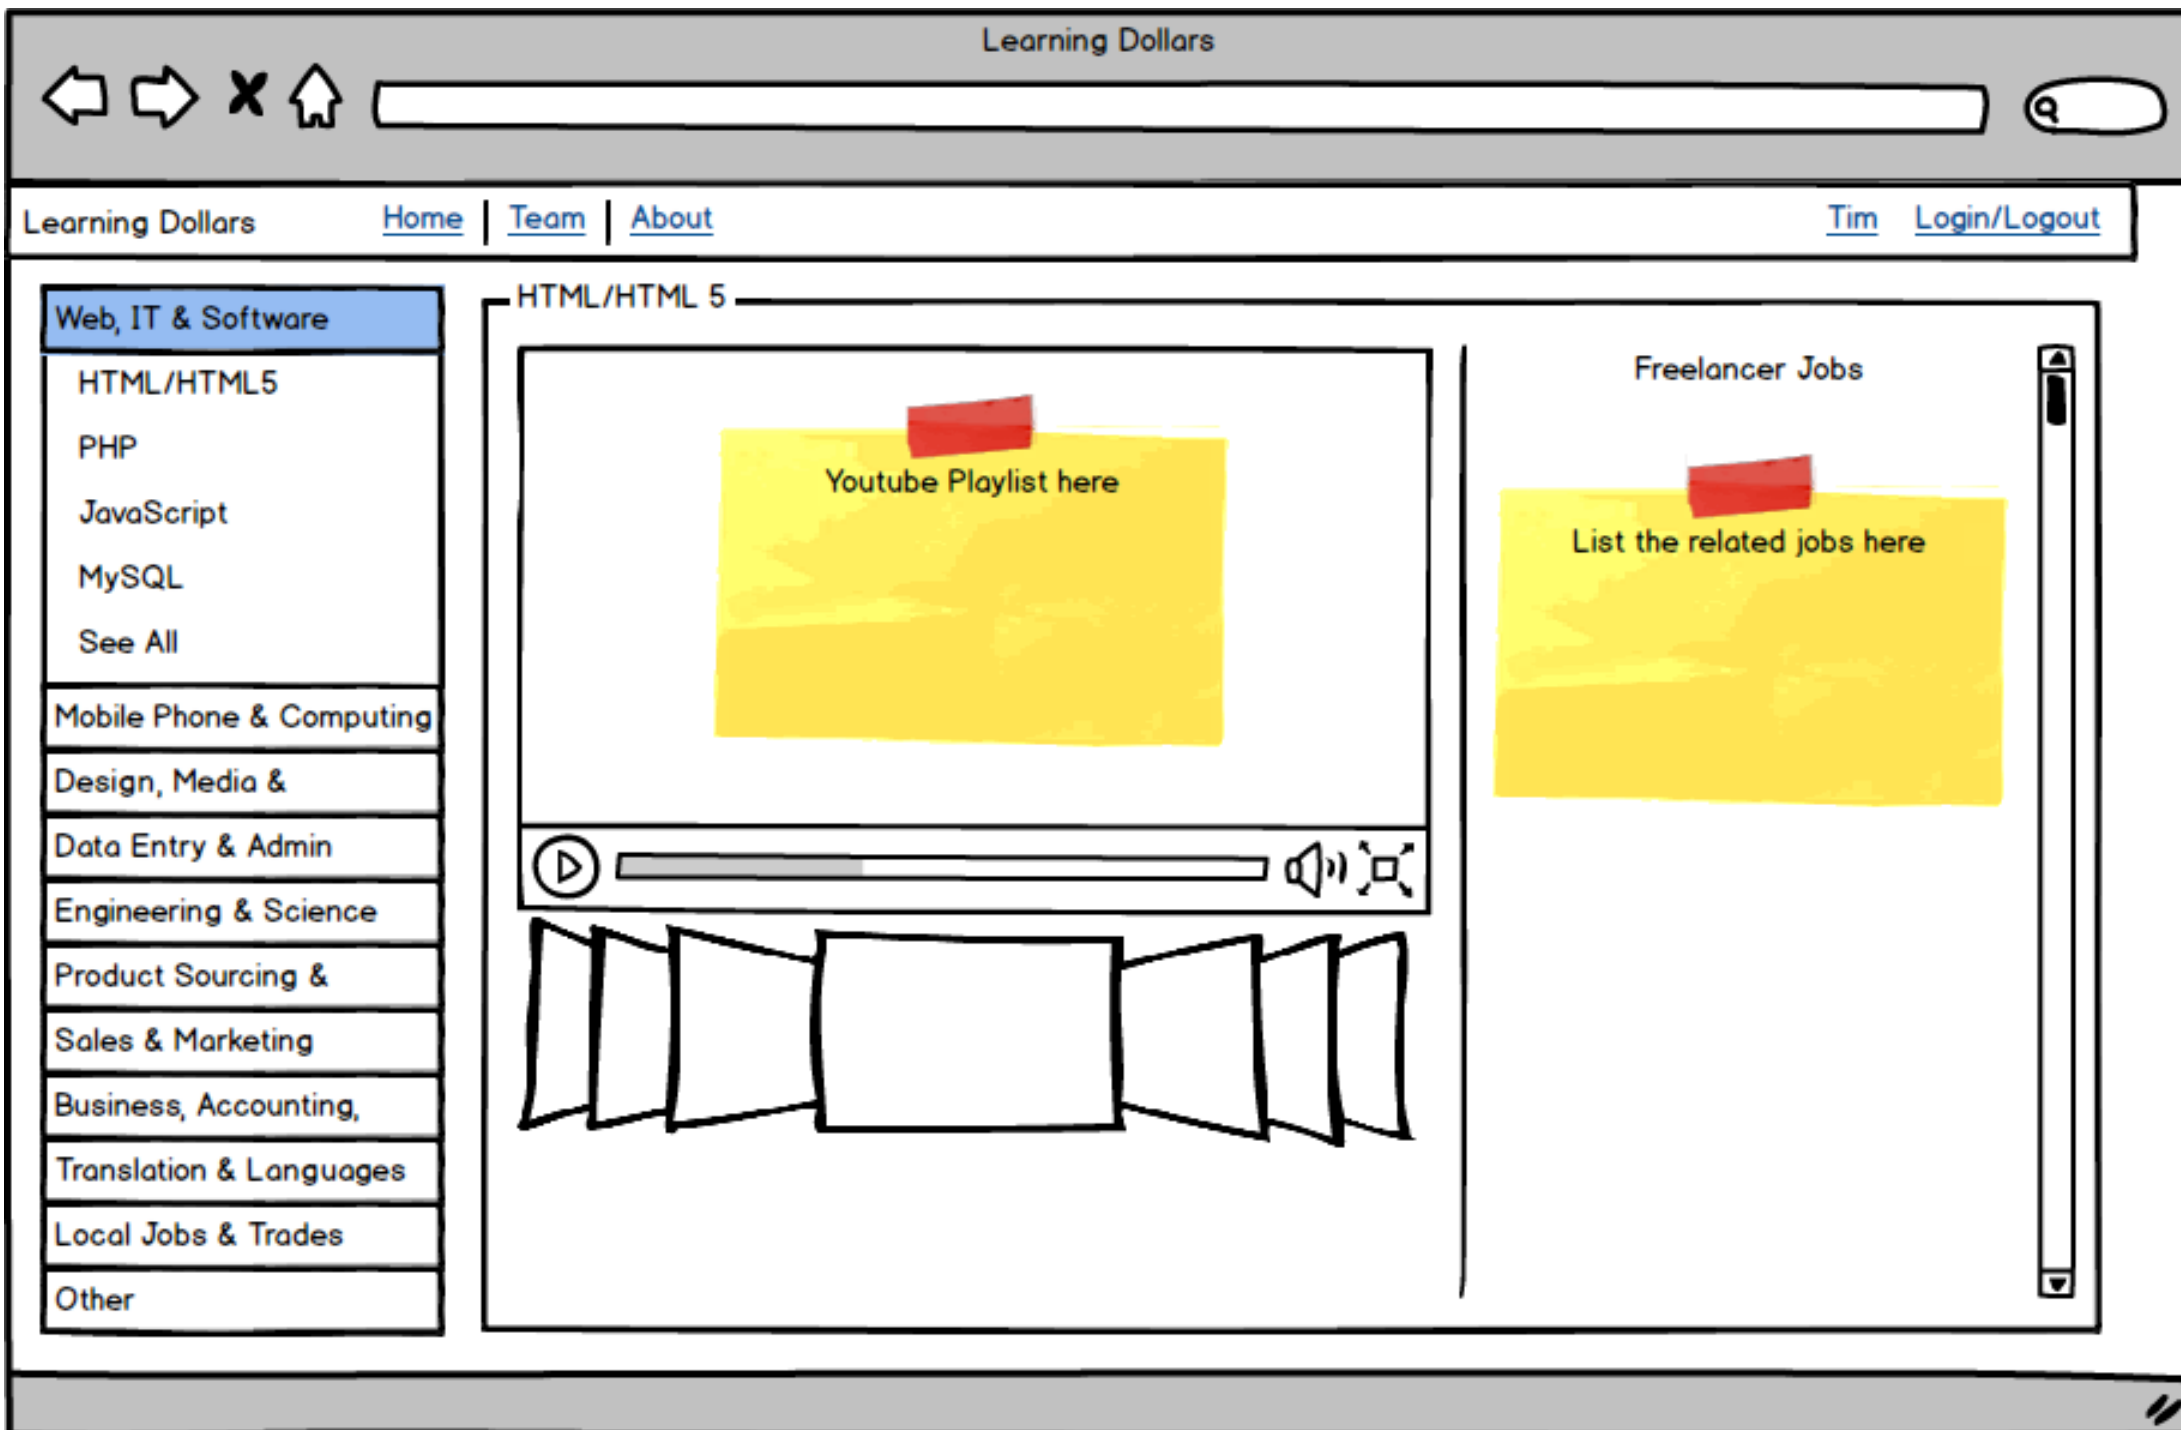

- Basic information about the user...
- All the completed freelancer jobs (And employer feedbacks?)
- All the explored modules
- Modules in progress?
- A resume upload?

User Profile Page

- Subcategories are display the same way as the popular modules display.
- Sort by alphabetical order or popularity?
- Same toggle idea applies

See all Page for sub catagories

Module Page (Video Playlist + Job Listing)
